Hi Desean and Janet,

Cadmus and I have taken a first crack at David's comments – your turn now.

I should be about to provide you with a fact sheet and a public notice for review and comments this week.

Thanks,
Calvin

Calvin,

Do you want to take a first crack at responding to David's comments or should I? Janet is out of the office until July 26 so I can handle the second ORC review when you're ready.

Hi Calvin, I reviewed the draft permit and have a few comments/questions in the attached. Let me know if you have any questions or wish to discuss my comments. Do you have an estimate of when the individual plans/Attachments will be available for review? Thanks, David
